

# Nemesia ‘Celebration’

<b>Selling</b>	Mid March to April
<b>Features</b>	Small, but bold purple flowers with a paler centre from mid Spring.
<b>Benefits</b>	Masses of attractive flowers throughout the Summer. A popular, good garden plant that can be used in hanging baskets, pots and the border.
<b>Story</b>	Bought into the Webbs Garden Centre, by a Bromsgrove gardener in 1998. It had grown from a cutting taken from Nemesia ‘Confetti’. Trialled and nurtured by Webbs Nursery, it has become a good seller.
