

Geranium ‘Pink Spice’

Selling	March to end of April
Features	Exquisite, bright pink flowers, from mid Spring to late Summer, and bronze foliage all year.
Benefits	Performs well at the front of a border, woodland areas and rock gardens. It's an easy to grow plant, with dramatic foliage and a tight habit.
Story	A new hybrid from the Naturally Native New Zealand Plants Ltd, who have been established over 25 years. Bred by Mark and Esme Dean, it was first introduced in the UK by Bransford Nurseries in 1997.
