

Hebe 'Purple Pixie'

Selling

March onwards

Features

A rounded shrub with purple flowers from late Spring to the first frosts, and mid green foliage.

Benefits

This free flowering, strong Hebe produces a wonderful display at the front of a border and shows colour all year round.

Story

Hebe 'Purple Pixie' was selected by John Tooby, the founder of Bransford Nurseries, from a garden seedling, and was introduced to the market in 1998. It was made famous by it's bright purple pots.
